

God's Message to Women

When I created the heavens and the earth, I spoke them into being. When I created man, I formed him and breathed the breath of life into man. I allowed a deep sleep to come over him so I could patiently and perfectly

fashion you. Man was put to sleep so that he could not interfere with the creativity. From one bone I fashioned you. I chose the bone that protects man's life. I chose the rib, which protects his heart and lungs and supports him, as you are meant to do. Around this bone I shaped you, I molded you. I created you perfectly and beautifully. Your characteristics are as the rib, strong and fragile. You provide protection for the most delicate organ in man, his heart. His heart is the center of his being; his lungs hold the breath of life. The rib cage will allow itself to be broken before it will allow damage to the heart. Support man as the rib cage supports the body. You were not taken from his feet, to be under him, nor were you taken from his head to be above him. You were taken from his side, to stand beside him and be held close to his side. You have grown to be splendid women of excellence. Your lips how lovely when they part in prayer. I've caressed your face in your deepest sleep; I've held your heart close to mine. You are special because you are the extension of Me. Man represents my image, you woman, my emotions. Together, you represent the totality of God. So men treat woman well. Love & respect her, for she is fragile. In hurting her you hurt me. In crushing her, you only damage your own heart. Woman, support man. In humility show him the power of emotion I have given you. In gentle quietness show your strength. In love show him that you are the rib that protects his inner self.
